

## **Athlete Sponsorship Guidelines**

In order to successfully build a championship organization, the **Northern Chill Volleyball Club**, and more importantly its athletes, needs further sources of revenue. The funds from an athlete sponsorship donation could be used to offset individual player registration fees as well help cover off the athlete-centered fundraising portion of the fees.

We recognize that athletes and parents may require alternate sources of funding and the **Athlete Sponsorship Program** is a tool that can be used to accomplish this.

The sponsorship program is great way for alumni, family, friends and community supporters of the **Northern Chill Volleyball Club** to invest in the future of our organization and in particular individual athletes.

To prevent unnecessary duplication and paperwork, athlete sponsorship obtained after all fees have been paid in full, will **not be handled** by the **Northern Chill Volleyball Club**.

- The **Northern Chill Volleyball Club** will not issue a donation receipt to Athlete Sponsors that are obtained after fees have been paid.
- Athlete Sponsorship fees must be submitted as part of the regular payment schedule

A **Children's Fitness Tax Credit Receipt** will only be issued for the portion of fees paid directly by the parents/guardians. The remaining amount covered by an athlete sponsor will be issued a donation receipt.

- 
1. Each sponsorship payment ***must be accompanied by a Donation Form*** in order for us to accurately track the contributions.
  2. Each donor, in excess of \$100.00 will receive a donation receipt for their contribution.
  3. Each donor, if they chose, can be listed on the **Chill** website in the Athlete Sponsors section in alphabetical order
  4. Each donor, if they chose, can be listed on the back of the sponsored athlete warm-up t-shirts.
    - This is at a cost of approximately \$10.00 which is to be covered by the athlete.
    - There are additional means of recognizing an athlete's sponsor (plaques, etc). If necessary, the club can help with these arrangements.

## **Athlete Sponsorship Program**

The **Northern Chill Volleyball Club** is an elite club for girls between the ages 13 and 18 years. We compete in the **Ontario Volleyball Association's** Indoor Youth Competitions, leading to the Provincial Championships, and **Volleyball Canada's** National Championships. We operate 5 teams encompassing 5 different age groups.

Since most of our competitions take place in Southern Ontario, there is a heavy cost placed on our club with regards to travel and accommodations. Each athlete must submit player fees to the club in the amount of **\$850.00** to partially cover these costs, and the remainder is fundraised by the athlete, lead by our parent-driven fundraising committee. We are fortunate in some instances to be awarded hosting opportunities for the Sudbury area, which is a great way to highlight our local partners.

Our program continues to develop as we build an organization of excellence. We have an experienced, dedicated coaching staff and a program-wide commitment to excellence through hard work and training. Your support ensures our program can consistently strive for excellence, and shows each of our student-athletes that we are committed to their development as a volleyball player and as a person.

As a result of your partnership, the **Northern Chill Volleyball Club** will gladly include your organization on its list of **athlete** sponsors on our website. In addition, your business will be listed on the back of the warm-up t-shirts that your sponsored athlete wears. Each donor with a minimum \$100.00 contribution will receive a receipt for the amount of their donation.

Should you require any additional information, please do not hesitate to contact us. Thank you in advance for your generosity.
