

Net Worth Project

The **Net Worth Project** is a program designed to kick start and maintain the **Northern Chill Volleyball Club**. The funds raised in this program will assist athletes in meeting their fundraising targets. These funds are used to aid the club in attaining the highest standards in program operation. The funds will go toward:

- Team Development
- Travel and Accommodations
- Awards
- Equipment

How to Get Involved:

Step up to the service line and make your serve count! A regular volleyball net is made up of 990 segments or squares. It is our goal to have a sponsor for each of the segments. Help fill **ALL** the squares in our net.

The square(s) you purchase can contain the following:

- An encouraging message to a particular athlete or team
- A logo advertising your particular company (Email directly to webmaster@northernchill.org)

Be a part of the **Net Worth** team by contributing **\$10.00** per square. You may sponsor more than one square and make this project a real **SMASH!**

Submit all forms to **Kelly Moyle**, VP - Operations.
